- Conference objectives:
 - To provide opportunities for practitioners and researchers to discuss and disseminate hot topics and novel ideas on the operation and control of urban water systems.
 - To examine and share achievements in the computation and control of urban water systems in the context of big data and the internet of everything
 - Establish a platform for practitioners and researchers to foster collaboration on valuable projects in the field of water
 - Encourage discussion between researchers and practitioners on the future challenges of the water industry: the evolution of digital and smart water systems and strategies to cope with the effects of climate change.
- Language
 - The official language of the congress is English.
- Currency
 - The only currency accepted during the conference will be Euros (€)
- Organised by:
 - Department of Hydraulic Engineering and Environment. Universitat Politècnica de València (Valencia Tech).

Participation of a company as a sponsor of the event

Any industry, company, institution or government can participate as a sponsor of the 2nd WDSA/CCWI Joint Conference. The Universitat Politècnica de València (Valencia Tech) has defined several levels of sponsorship and exhibitor.

The participation of the company/company/Institution as a **sponsor** of the conference would entitle to:

- Banner on the website and reference on the Sponsors page of the website.
- Appearance of the company logo on all posters, banners and materials used during the conference.
- Continuous reference in our social media about the activities of the sponsors.
-
- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.

The participation of the company/company/Institution as an exhibitor at the conference, depending on the options, would entitle to:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.
- Have a space in the exhibition area (including space, access to wifi and basic furniture). This stand will be located in the same area as the registration desk, just in front of the plenary sessions.

In addition, there is the possibility to include the following benefits as part of the participation of the company/company/institution as a sponsor or exhibitor:

- Access to a number of free registrations, depending on the level of involvement.
- Possibility of organizing one of the Short Courses held on the day before the conference. In this case, the course will be free of charge for the attendees.

In general, the participation budget for a company/company/institution varies between 2500 and 8000 euros, depending on the level of involvement in the conference. In order to adapt to the different needs of companies and institutions, various modalities of sponsorship have been defined.

Sponsorship level 1 (Institutional)

This level of sponsorship is restricted to public institutions. The economic contribution is defined individually with each public institution. This level of sponsorship entitles the institution to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.

Sponsorship level 2

Economic contribution: 2500 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.

Sponsorship level 3

Economic contribution: 3000 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.

Sponsorship level 4

Economic contribution: 3500 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.
- Free full registration for 1 delegate to attend the event.

Sponsorship level 5

Economic contribution: 4000 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Free full registration for 5 delegates to attend the event.

Exhibitor level 1

Economic contribution: 5000 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.
- Have a space in the exhibition area (including space, access to wifi and basic furniture). This stand will be located in the same area as the registration desk, just in front of the plenary sessions.
- Free full registration for 1 delegate to attend the event.

Exhibitor level 2

Economic contribution: 6000 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.
- Have a space in the exhibition area (including space, access to wifi and basic furniture). This stand will be located in the same area as the registration desk, just in front of the plenary sessions.
- Participation of one of the members of the company as Keynote Speaker of the conference.
- Free full registration for 2 delegates to attend the event.

**2nd WDSA/CCWI Joint Conference
Water Distribution System Analysis (WDSA)
Computing and Control in Water Industry (CCWI)
(Valencia, 18-22 July 2022)**

Exhibitor level 3

Economic contribution: 8000 € (This amount will be increased by the corresponding VAT if applicable).

This level of sponsorship entitles the company to the following options:

- Include the logo as a sponsor of the event on the conference program.
- Include the logo as a sponsor of the event on the conference poster and leaflets.
- Include the active link to the sponsor's website on the event website.
- Mention to the company in the dissemination made through social networks.
- Include a brochure of the sponsor in the material that will be given to the attendees.
- Providing the attendees a specific bag prepared by the company. This bag will be handed out at the time of registration.
- Possibility to present up to 5 different papers in the Industry Track of the conference.
- Have a space in the exhibition area (including space, access to wifi and basic furniture). This stand will be located in the same area as the registration desk, just in front of the plenary sessions.
- Participation of one of the members of the company as Keynote Speaker of the conference.
- Possibility of organizing one of the Short Courses held on the day before the conference. In this case, the course will be free of charge for the attendees.
- Free full registration for 2 delegates to attend the event.

The sponsorship and the corresponding services to be provided by the organizer of the event will be conditioned to the reception of the economic contribution.

Expression of interest

Companies/Institutions interested in sponsoring WDSA/CCWI 2022 please send by email the attached form (Annex I) to the following address: wdsa-ccwi2022@upv.es

To define the conditions of the sponsorship, a Sponsorship agreement must be signed between the entity and the Universitat Politècnica de València. Once the form is received (annex I), the UPV will send the contact person a draft of the Sponsorship agreement to be signed and detailed instructions.
